

WEEK 10 12/12

Dear Punters,

Another week another loss. All you boys who are about to write to Santa write at the top of the list "winners please, send me some winners, we need them".

The only good thing to come out of last week was Patto's phone was on the blink so I couldn't contact him. We have 6 punters on the weekend.

Downsy had a 7 leg multi backing Melbourne Victory (win) Man/U, Chelsea (no good) the draw between Bursley and Fulham (win) Minnesota Vikings (win) and S/Africa, Australia in the cricket tests. He also had a flexi Quaddie on Saturday (no good).

Dale McCortin backed Sea skye \$25 each way in the 4th at Flemington (no good). Jay backed Geared Up in the last at Rosehill \$25 each way (no good) and Robbie Hazelwood put \$25 on the nose on Iamzeus in the 6th at Flemington (no good) but placed with an each way bet backing Alsahra in the 7th at Rosehill.

Chins up fellas, I can feel something big about to happen.

Go the punt.
