

## WEEK 17 13/2

Dear Punters

Still dropping cash boys but not a big hit this week.

The weekend started with Colonel having 2x\$25 multi's which were no good. The 1<sup>st</sup> one was Australia (cricket-wash out), Eagles (won), Hawks (won), and the Crows (AFL- lost) paying \$77.75 so that was close. The second one was Victory (A league lost), Australia (cricket wash out), Lions (AFL lost), Atlanta, Orlando and Toronto (NBL- 2 won) paying \$523.50.

Orry had 2 multi's the 1<sup>st</sup> was Crows, Hawks, West Coast and Dogs (AFL) paying \$64.35. The crows got pumped. They lost us a couple of multi;s – bloody Crows. His 2<sup>nd</sup> was Adelaide, Gold Coast, Perth, Sydney v Victory (draw) and Wellington v Central Coast (draw). He only got the Perth game in. It was paying \$1164. He also had \$10 each way on Snipers Bullet in the 7<sup>th</sup> at Moonee Valley, it placed giving him a bit of profit. Shady had his \$50 on the Hawks which saluted. Good stuff mate you bet next week.

Mick McCubbin had 2 running doubles which were close. The 1<sup>st</sup> was Tollesprit (won) in the 2<sup>nd</sup> into Aloha (2<sup>nd</sup>) in the 4<sup>th</sup>. The 2<sup>nd</sup> one was Linton (won 6<sup>th</sup>) into Nicconi (no good 7<sup>th</sup>). He also had a flexi box trifector in the 8<sup>th</sup> getting 1<sup>st</sup> and 3<sup>rd</sup>. Better luck next time mate.

Jay had a flexi tri in the 6<sup>th</sup> that got up and also backed Nicconi (no good) on the nose in the 7<sup>th</sup>.

You get to bet again next week also. Good stuff.

Try and get outstanding money to me fellas so we can have a reasonable punters club big day out. Talking of big day out we haven't booked a date yet.

I'll get that organized soon.

Go the punt.
