

WEEK 18 20/2

Dear Punters

With only 1 week to go so it's all or nothing for those who are punting this week.

Jay was that close it wasn't funny. He had a trifector in the Blue Diamond getting 1st, 3rd and 4th. He also had a quinella in the same race (1st, 3rd). He backed Willow Creek (4th) each way and Evidential (no good), so maybe he should look at the Hayes gorses next time, he might get lucky. Bad luck mate.

Downsy had a flexi quaddie, also at Caulfield. He had Heart of Dreams (2nd) one out in the first leg and of course the other 3 legs came in. He also had 2 x 3 horse Parlays for a \$1 each way. The 1st was Solchow (won) into Lady Lynette (2nd place) and Rostova (no good). His 2nd was Rightfully Yours (won) into Heart of Dreams (2nd) and Wanted (4th) so had luck there also.

Dale McCartin put his \$50 on Rangirandoo (2nd) in the 6th at Rosehill. It lost by a half head. Shady had a flexi tri in the last at Caulfield with him getting 1st, 3rd, 4th and 5th.

Bruce Hayden backed Racing Pegasus (last) at Doomben in the 7th.

Go the Punt.
