

## WEEK 4 Derby Day and Cup weekend

Dear Punters,

We've taken a bit of a bit this week, but we're still in front. There's always next week. On Derby Day we couldn't buy a winner apart from Bones who backed Kidnapped in the 1<sup>st</sup>. He also backed McClintock each way in the last which got beaten by a lip. It cost him as he ended up with \$49. So bad luck there mate. Gav backed Hume \$50 on the nose in the 2<sup>nd</sup> to run 2nd. Ben McCoy also backed McClintock for the win (2<sup>nd</sup>). The punk backed Silent Surround for the win in the 3<sup>rd</sup> (2<sup>nd</sup>) but backed Shellscape in race 4 and Viking Legend (Derby) eachway for collects to bring him over the line and up again next week. Fitzzy backed Viking Legend each way for a collect, but forgot to back his future father-in-laws horse for the punters club. He won on Friday night at Moonee Valley paying over \$30. Good team man our Pres. So we were close but no Cigar this week. Go the punt.
