

## **PUNTERS CLUB SEASON 2007/08**

**Final Week**

**Week 19**

Well that's it fella's! It's all over for another year and what a great year it's been. The punting has come along in leaps and bounds. You boys know what you're punting on and you're doing it with confidence which shows on the balance sheet. You blokes had a real crack on the nose which have us great profit for the year.

Records were set in every mode of betting. Soccer, cricket and tennis came in when they haven't in the past. Still, the good old nags were the big winner again.

Oh, yes, this weeks punt!

The Beacha had his chance and blew it. Bad luck mate. The rest of us (me, youngy, Hobbo and Whitey) had a \$200 Quaddie. We tried to go out with a big bang and although we won it only made us a small profit for the week. Many congratulations to our new Punter of the Year – Patto. Patto was on fire early in the year which gave us a great start on which we capitalized and maintained. All were \$50 bets on the nose, 3 came in - all good dollars.

Hope you do better next year mate. Well done. The NAPA (not a punters arsehole) award was once again shared by Ben McCoy, Fitzzy, Helmo, Lucas Ryder, Micky Ewison, Miles and The Colonel. Hope your luck changes next year.

Punters Club Big Day Out is on Saturday the 19<sup>th</sup> of April at Caulfield. We will meet at Ringwood Station at 10 am and catch the next train out of there. Wack on the bowl of fruit if you want so we all look our best. I'm betting we'll be kicking on in town later on. All members are encouraged to attend as it's a great day out. If you can't make it please let me, Bones or Dammo know so we can pay you out. Last year several of the boys didn't roll up or inform me they weren't attending which meant that I was stuck holding a heap of cash for the day. I don't want to be held responsible for that money. Anyway that's it. Go Patto, Go the Punt, Go Caulfield, Go Everyone, Go Norwood and good luck.
