# Norwood Newsletter

Mullum Mullum Reserve, Mullum Rd, Ringwood, 3134. 9879 1082

## TRAINING NEWS

Training is in full swing and the practise matches are all organised. Details below.

So far we have cleared from other clubs to Norwood, 9 new players with many more to be confirmed over the next few weeks.

Numbers are still good attending training and all looks good for the start of the season in April.

## NORSEMAN UPDATE

Renovations are underway in the Ladies toilets and by the start of the season we should see a brand new facility.

Norseman membership has changed slightly from last year but all the benefits are still there to become a Norseman member. Membership has been broken into Gold, Silver & Past Player. Anyone wishing to join the Norseman group please speak to Geoff Lisle, Byron Stewart or Ian Walton. The Norseman will not approach you to become a member so please see one of these gentlemen if you are interested.

## A word from PNG

Graeme Arthur is currently working in PNG and sends this word

*Things are going along fine in PNG & I recently caught up with the PNG/U18 AFL development Squad with Mal Michael from Brisbane Lions. They train on gravel & usually with bare feet. They are coming to Melbourne for the International Challenge Cup in August. Be home on the 11<sup>th</sup> March, hope to catch up then. Graeme.*
