A special Note....By Mark Etherington

Norwood Football Club made a very difficult decision in dismissing Brett Davidson as Senior Coach. In our desire to see the club succeed, it was decided after lengthy consideration to make a change of structure, in our endeavour to obtain the best out of the playing group, a change in the coaching combination was chosen.

Norwood Football Club will always respect the strong leadership & contribution that Brett Davidson gave to the club & wishes him all the very best in the future.

On that note, we welcome Graeme Dudley as caretaker coach for the remainder of the season, with a strong support group behind him, along with the entire football clubs strength; we will strive for success in this division. We will reiterate our team environment policy at every challenge & be proud & passionate in our coming games. I urge you to get behind Graeme & all the staff.

A word from the Vice President....

What a big week at Norwood. I would firstly like to thank Brett Davidson for his time and effort over the past 3 seasons. For those that were not aware Brett was relieved as senior coach last Friday night. Graham Dudley will remain caretaker coach for the rest of the year, with Mark Attard as assistant coach. It was a very difficult decision for the senior committee to make and one that was not made lightly. In respect for Brett the details will not be made public. However from feedback and performance it was decided that it was in the best interests of the Norwood Football Club to do so. We all worked hard last year to win our way into 2nd division & our main objective is

to win our way into 2nd division and our main objective is to make sure we stay. The Norwood Football Club is greater than any individual. We also have faith in Graham who deserves everyone's respect and support. Mark Etherington or I are free to discuss further if you have any questions. Anyway onto last weeks games against Ringwood. The colts were fantastic in the last quarter to secure the win and all need to be congratulated on their effort. The reserves were respectable and signs of improvement were there again. The seniors played with the determination and fire that has been missing for most of the year. Norwood was the better side for the majority of the match, but Ringwood showed why they

are on top with quick goals late in the game. The game ended in a much needed draw which brought about mixed feelings. The boys should be proud of the way they played. Let's see that same determination this week against Mulgrave.

Seniors Report...by Mark Attard

After a very disappointing game against Bayswater we traveled to Montrose looking to atone for ourselves.

In very tough conditions that resembled a mud wrestle rather than a footy game we got off to a good start with early goals to Attard & Hall. Norwood seemed to have more of the play but couldn't kick away on the scoreboard. In the last 10 minutes of the first half Montrose kicked 4 goals to go in with a good break. This period proved to be crucial as in very tough conditions goals became harder to find. The boys played well and kept Montrose to one goal after half time however could not score enough to bridge the gap going down by 15 points. In a low scoring affair Attard kicked 2 goals, while better players on the day were, JT, Walky, Francis, Ross & Wood.

Lets hope this improvement can not only continue but be further worked on to knock up

some much needed wins.

Round 11 saw us finally back at home, a big challenge against the top side and an embarrassing performance first time round to make up for.

Some home truths spoken at training during the week and some words on commitment and it being a team game needed before taking the field. Throw in some unsettling announcements before the game to the players and who knew what to expect. In front of a good Norwood crowd the players came out and played the way they talked about and the club knows and expects. Norwood got on top early with a great brand of physical hard at the footy play and quick movement into the forward line. This continued for most of the game with Norwood holding a good lead all day until mid way through the last 1/4 when Ringwood started to get there running game going and showed why they are the top side. In a very close finish the scores were

tied, a draw!! Although disappointing not to take the points a lot of positives are to be taken from the game, we can mix it with anyone in the competition and wins are now not far away if that sort of football is played each week.

Better players on the day were Walky, Kinga, Junior, AJ, Albrecht & Woody, while AJ, Rosco & Wolley kicked 2 goals each.

We are all looking forward to another big turnout this weekend from our fantastic supporters against Mulgrave at home.

Colts.....

A loss & a win over the last 2 weeks, trying not to raise our expectation too high but wins are a must. Great win last week to knock off arch rivals in Ringwood but we need to carry this on to this week against Mulgrave. Happy birthday again to Brent English, over 400 turned out to his 18th including a few high profile bouncers!!! All involved with the Colts wish to thank the wonderful supporters that turn up early Saturday morning to watch the Colts, a true club is about its supporters. Just a reminder that it takes not just me to get the Colts out on the ground each week, both Bugsie & Mick are a huge part also, again I thank them for their support.

Junior News.....by Jane Holman

Can you believe it, only 3 games to go and Season 2004 is over! At this stage we possibly will have two teams competing in the finals series – Under 13 Black and the Under 15's.

It is also the time of year when the Committee begins the hectic task of organising Presentation Day. In earlier Newsletters, this date was advertised as 15th August. This day has been allocated by the EFL as Grand Final day for those successful enough to be competing. As a result, we have had to change the date for our Club's special day. Our new date for Presentation Day will be Sunday 5th September.

The timing is still to be confirmed, but looks like being somewhere between 3pm and 5pm. We are aware that it is Father's Day, but unfortunately, the club has grown to such a size that Yarra Valley Auditorium is the only facility in the region able to comfortably seat the number required.

By having the Presentation mid afternoon, hopefully this will not inconvenience lunches and dinners being held for the dad's. A flyer confirming this date and these timings will be distributed to all families next week.

Please don't forget the dance night at the Clubrooms – Friday 16th July – BYO everything with a \$5 entry charge. This night is not so much a fundraiser, more a social night for the parents. Further details are listed in this newsletter.

Thanks to all those who have supported the canteen through the purchase of their cappuccinos, lattes & hot chocolates. Last weekend saw the highest ever turnover on record, with this week looking like beating that again with six teams playing at home on Sunday.

Don't forget to return your chocolate money to Team Managers at training as soon as possible.
