Welcome our Past Players & Officials...

Today we welcome our Past Players & Officials to Norwood to enjoy a few drinks together, watch a great game of football and reminisce about when they could do it all better than the team out there today! No seriously, its always great to catch up with the people that have come before us, either as players or as committee. We hope you enjoy your day and welcome you to Norwood at anytime throughout the year.

On the 24th June, we held our annual Massive Auction, once again, congratulations to Kelvin Janssen on sourcing so many great items that were up for bid. It was certainly successful financially, a great fundraiser for the club. Thank you to all those sponsors, local businesses and individuals that contributed to the night.

As mentioned above, the Ladies Luncheon is on again, please see me to place your name on the list and pay either a deposit or the full amount, the list is already filling quickly, so don't wait. We are sure everyone will again have a great day.

Just another reminder that if you have sold your \$5000 raffle tickets please get them back to Gary Bower. If you think you can sell more then please get more tickets from Gary.

Please all enjoy today, support all three sides and hopefully again we can win the Bob Ward Accident Repair Centre Trophy.

Go Wooders.

FROM THE TRAINERS TABLE

Trent Rogerson and Darren Klein are still 1 week away from resuming. Ricky Francis will be out for up to 4 weeks with a back injury. Ben Parker is still out with a shoulder injury and John Tymensen is waiting on results from a cheek XRAY. There are 3 or 4 other players that have niggling back and groin injuries but should be OK to play.

Congratulations to COREY JOHNSON who plays his 100th game today.

last weeks performance as good sides do in a big game. After a slow start and giving Knox a 4-1 goal lead early we fought back to be just a goal down at 1/4 time. Again we got our game going in the 2nd quarter and opened the game up with a 7 to 1 goal quarter. Although running out winners by 7 goals and keeping sway comfortably in the second half I think the players took their foot off the pedal and cruised through the second half which was a little disappointing. But no game is easy in this competition and winning away is always a good effort. Walky played a great return to form game, Micky Stewart played very well through the middle while Bockerly was a great target up forward and supplied the runners with great ruck work. Jennings, Day & Higgins were also good players on the day. The goals were kicked by Jennings 4, Walky 4, Brocks 3, Brown & Attard 2 each.

Senior Report ...by Mark Attard

Well it was back to football this weekend after the break. Unfortunately I think most of the players thought they were still on the break. Mulgrave definitely were the side that came out simply wanting to play football and win. Taking nothing away from Mulgrave I believe it was our most disappointing game for the year in the areas of football it counts the most. We got off to a great start kicking 6 goals in the first 15 minutes however 4 more goals for the next 3 1/2 quarters will never win you a game of footy while Mulgrave kicked the next 10 unanswered to half time, the damage had been done!! Mulgrave then just did enough to

maintain their 6 goal lead with Norwood never really threatening. Attard, Kueffer, Mick Stewart & Jennings all kicked 2 goals each for the game. After losing at home the previous week and playing poorly and coming up against a side that smashed us in Round 1, today we would find out what Norwood were made of. It was a tight & physical game right from the start with great battles all over the ground and this continued all game. Doncaster held a 1 goal lead at 1/4 time. But this week it was Norwood's 2nd term that set the game up with an excellent 6 goal to 3.

The third term typified the day with only 3 goals kicked in the quarter. Norwood held an 8 point lead coming into last. Norwood came out with all the run in the last 1/4 having 11 scoring shots to 3 however inaccurate kicking made it closer than it should have been, eventually running out winners by 22 points (2 goals 10 points). A very good 4 quarter performance. It was a great team effort by all the players who played their part while good performances up forward saw Attard kick 5 goals & Kueffer & English both kicking 3 goals each. It was important today to go down to Knox and follow up

Colts...by Geoff Stewart

Round 9 saw an impressive performance against Mulgrave. We played a great first half of direct, offensive football to be 10 goals up at half time. We were clearly switched on with great tackling and intensity. We were flat early in the 3rd quarter when Mulgrave picked up their work rate but were able to steady before again taking control in the last quarter. Overall it was a very good performance with evenness across all lines. Best players were many, and included Mitch Keogh (5 goals), Scott Dekeizer (3 goals), Wes Green, Rohan Williamson, Johnathon Wynn, Ben Breer and probably another 6 players. Unfortunately we had a bye in round 10 - poor timing for us as we had the Queens Birthday weekend break the week prior to round 9. So we saddled up for our 2nd game in a month in round 11. Not a good preparation for taking on 3rd placed Knox.

We were switched on early, getting plenty of the ball, however Knox kicked away to a 16 pt lead by quarter time. Knox controlled the first half of the 2nd quarter to go 4 goals up then we significantly lifted our intensity and went into the half time break full of self belief - if we could continue with that intensity we could make a real game of it. Unfortunately we had a terrible 3rd quarter and Knox showed why they are 3rd on the ladder by outscoring us by 34 pts to go 51 pts up. After being told a few home truths we bounced back to clearly win the last quarter and held Knox goal less whilst we scored 3 goals ourselves. Our best players were clearly Mick Mahy & David Knowles with strong contributions from David Johnson, Robbie Wood, Scott Dekeizer and the comeback kid - Nick Thompson! Welcome back from your long term injury Nick. It was good to see Luke Barrett come off the bench and make a valuable contribution.

We have a very young list with 2/3rds of the players bottom age, so we are setting the foundations for not only a strong second half of 2005 but maybe a bigger 2006.

This week we taken on local rivals and I expect a big team effort will truly test North Ringwood.

Reserves...by Brian Chamberlin

After 2 convincing wins the reserves decided it was just going to happen, which as we all know it doesn't. Against Mulgrave we saw a very lack luster performance with some old habits costing us the game. The loss put us back with the pack, (a win would have seen us sitting 3rd), meaning we must work hard & win games to keep in touch. After the previous weeks wake up call a more experienced team was prepared to play football. From the first bounce we saw a very committed team who were prepared to run, create space & use the ball to the teams' advantage which set us up for a great win against Doncaster. It was fantastic to see a mix of younger & more experienced players playing well together. The next 5 weeks see us play sides we had opportunities of beating & really need to win to prove a point. The first against Knox saw us play close to our best football for the year, plenty of physical presence, 1%'s and

teamwork saw us run all over the top of Knox by 8 goals. The commitment & attitude must continue to improve if we are going to call ourselves REAL contenders.

Norwood 11-10-76 Mulgrave 15-6-96 Goals: English, Hall, Dekeizer 2, O'Donohue, Hunt, Mason, Smith, Walkenhorst 1
 Best: Hall, Smith, Sandow, Woods

Norwood 13-16-94 Doncaster 6-4-40 Goals: C Johnson, A Johnson 3, Ewison, Grant 2, Hunt, Timms, Spurrell 1 each. Best: Spurrell, A Johnson, Sandow, Woods

Norwood 12-9-81 Knox 4-9-33 Goals: Ewison 4, A Johnson, English 2, Cordwell, Hall, Walkenhorst, Blair 1. Best: Smith, Ewison, Sandow, A Johnson, Woods. There are no excuses from here on in. We must win if we were to have chance come finals time. The tightness of the competition means anything other than 4pts will cost us dearly. We know we can do it, so lets believe in ourselves, our mates, our own ability & strive to achieve the best we can so were not left wondering WHAT IF!!!!
