NORWOOD PAST PLAYERS & OFFICIALS DAY

Sat 24th July 2004

Vs

North Ringwood

Please let anyone you see that was previously involved in Norwood know about this upcoming event.

A word from the Vice President...

Well just when things were looking up we have a day like last Saturday. A miserable day on and off the field. The seniors looked like they really didn't want to be out there. It will require a big effort in the second half of the year now, which we all know we are capable of, just need sustained commitment from all players! The colts and reserves were fantastic. Good to see some of the boys return to boost the strength of the colts. Special mention goes to

Jarrold Spurrell from the colts kicking 10 well deserved goals ... well done. The reserves had their best team in for some time and it was evident. Good to see 22 blokes putting in. Off field Norwood is traveling brilliantly with upcoming social events such as the major auction on July 3 and Club Fresh on July 17 check out www.norwood.org.au/seniors/events.htm for the most up to date information. It is also great to see the

projector installed in the social rooms, which will show all the big games on the big screen, look out for the happy hours during those games, thanks to all involved.

Daphne & Mark enjoy the game

Seniors Report...

Well we are at the halfway mark of the season and it gives a good opportunity to review the season so far. While we sit at 1-8 our performances overall do not reflect this score line. We have been very competitive in 5 of the 9 games and only the top team, Ringwood, have beaten us convincingly. The last 2 matches have been a story of contradictions. Against a team in the four, Wantirna South, we were tremendous

with a depleted team, just being edged out by 3 points!! 2 weeks later against the BOTTOM team, Bayswater, with our best team in for the year, we were disgraceful and embarrassing in our ineptitude....probably our worst performance for the season!!! So, where to from here....with our backs against the wall....1 game adrift on the bottom of the ladder....the only way is UP!!! If we support each

other, train hard, respect opposition, and have some belief (all attributes that we carried into last years Finals series!!)...then we WILL progress up the ladder and Season 2004 will be seen as one of consolidation not one of lost opportunity!!!

Norseman Report...

The Norseman is underway with the latest project which is the refurbishment of the ladies toilet which for many years has included a store room. We have purchased a shipping container to use as off season storage for respective tenant clubs. The area used for storage will be replaced with extra wash basins and a baby change table set to cater for a "Norwood Baby Boom". It is expected that the

refurbishment will include Painting and tiling of the existing floors Our business dinner set for Thursday 24th June was booked out and unfortunately this news letter was in print before I could report on the outcome. We can report however, that we are entertaining a broad cross section of the community including local council, police, fire services and business people. So when you are reading this on Saturday at the

game, most Norseman will still have cloudy and dazed looks on their faces when you approach them, many had the same look on the night of the "Ball" courtesy of our first official dinner at the South Melbourne Football Club last month. To everyone who takes the field this Saturday good luck we are behind you all the way.

Geoff Lisle

Colts.....

Welcome back to all our Yarra Valley boys for the rest of the Season, its great to have you back. Our finals hopes are still alive after 2 great wins and a third this week!. Special mention to Brenton Jurey who we thought would be out for the rest of the season with a shoulder injury but looks like we'll see him on the track in 4 weeks, great news for all!

A great performance last week from Jarrod Spurrell kicking 10 goals, he couldn't have done it without the great delivery to the forward line by all the other guys. A special mention and thanks to those that support the Colts in the way of vouchers for awards on Saturday. Little Johns Pizza, Hair All About & Corey Johnson

Your support is greatly appreciated by all involved with the Colts.

With Regret!

The Junior Committee wishes to announce, with regret, the resignation of our Vice President - Andy Pereira.

Andy felt that due to differing of opinions he could no longer continue in his role on the Committee. Andy will continue to be involved with the U9 Purple team, in his position as Assistant Coach.

During his time at Norwood, Andy has been a tireless worker for the Juniors, both in positions on the Committee (including the enviable jobs of sponsorship & merchandise) and in various coaching roles. He has also given unending support to members in their positions. The remaining members of Committee will miss his constant hard work, advice & support.

Thank you Andy for your time and commitment to the Norwood Junior Football Club.
