A win makes all the difference!

What a great result last Saturday, the Seniors finally got the monkey off their back & got their first win. Knox were totally shocked by a far more committed, far more desperate Norwood team. Congratulations to all, we knew it would come & it did. This meant that all involved with the Senior side of the footy club knew that Saturday night at the Ball was going to be big, and big it was. Firstly we must congratulate Julie Buckingham, Ian Stewart & Ainslie Colbert on a well

organised night. Everything about the night was spot on, from the venue, to the food, to the decorations, to the wonderful band including our own Andy Pereira. Another highlight was how fantastic everyone looked, it's hard to imagine those that during the day that had heavy coats, beanies & scarves could end up looking so fabulous a few hours later. Again congratulations to all on making the night a truly special night. With the support shown it will only continue to get better & better. Tonight we are trying something new, an old

A word from the Vice President...

We're away!! The signs have been there, but last week against Knox the boys showed we belong in 2nd Division. It's taken a little while to acclimatize but by playing our first 4 quarter all over team effort it shows what is possible. Things look promising in the weeks to come with some of the core leadership group returning from long term injuries. We all look forward to more victories in the weeks to come. Hopefully the Reserves & Colts can learn from the seniors & put 4 quarters together

On to social, the Norwood Ball last Saturday was a great night out with 300 supporters, players, and parents in attendance. The decorations were great (thanks to Ralph & Deb Parkhurst) & the music was even better. Frankie's Angels were great & Andy's percussion a highlight. Please keep checking the social calendar for upcoming events. We are still looking for volunteers for Saturdays – please

See Bernie Blair for match day jobs & Huggs or Taubie for help with the BBQ. Its great to be playing against Wantirna South again, all the best today to all teams. Go Woods!

A REMINDER

The standard dress for all Norwood players is black rugby or polo top & black pants. This is compulsory for the seniors & optional but recommended for Reserves & Colts.

Seniors by Ross Stewart...

The past fortnight may prove to be a pivotal time in Norwood's 2004 season. A narrow loss & a sensational first up win has boosted the confidence of the entire club. The monkey is now off the back! The adjustment to 2nd Division has taken time, but all players now know what is required & everyone has lifted accordingly. We may have only just won our 1st game, but the feeling & attitude around the club indicates it just a taste of things to come. We are now ready to make an impression on Div 2 & show the league the only place Norwood is going is up!.

Our previous game against Boronia was a good contest but we failed to take our chances & were hurt in lapses in concentration, there was plenty to like about the performance but the "killer instinct" was missing at the crucial moments when it was there to be won. The best performer was Andrew Jennings, who spearheaded the attack with 5 majors & caused constant headaches throughout the afternoon. The game against Knox had many positives with a consistent 4 quarter performance rewarded with the 4 points. All

21 players contributed to the critical victory. Two notable performances in Scott Hall who was unstoppable across half back & big Brendan Ross who showed what he is capable of with close to 20 grabs & the majority of the hit outs giving Norwoods midfield first use of the footy all day. Lets hope everyone can continue their good form this week with another win in front of our fantastic supporters against our old rivals in Sth Wantirna.

What a Ball!!!!
