A Win isn't far away...

The result from last Saturday was not what we expected. I think all Norwood supporters thought we could overcome Nth Ringwood but it was not to be. As Brett Davidson said during his after match speech, once we break the camels back, the flow on affect will be positive. Again, true to the Norwood spirit, we should not look on our losses as negative, we should take lessons from what has occurred over the last 5 weeks, learn from it & become a better club for it. A win is not too far away. On the social side, the club is extremely busy, the Annual Norwood Ball is on next week, already the numbers are expected up around the 300 mark. What a great tribute to our club, it proves that when all facets of the club put their minds to it we can really do something special.

A couple of other great

Brent Sandow's 100th game

social nights are coming up also. In June we will hold our Sponsors Luncheon. A great opportunity for all involved at Norwood to thank those that have contributed to our club.

The men's night will be held on the Thursday night before the Queen's birthday long weekend. Make sure you see Rob Huggins to secure your booking.

More renovations are happening around the club which is reported in the Norseman report but it's great to finally see our old & tired canteen get a much needed make over. All those tireless helpers in the Canteen will at least have some modern comforts to make their time a little more pleasant. Thanks again to all those that contribute to making these renovations a

reality.

The junior side of the club is going along nicely, getting great attendances at their Sunday night dinners. This weekend our U11's play in the EFL Lightning Premiership. Due to great numbers, two sides have been submitted. Go Boys!

Let's really get behind all sides this weekend & bring home wins in all grades.

A word from the Vice President...

We should take the time this week to speak about the biggest event on the Norwood FC Calendar. The Norwood Ball is next Saturday starting at 7.30pm at Lilydale International. Tickets are \$60 and are selling fast, please contact Julie Buckingham (Juniors), Terry Minette (Auskick) or myself for tickets asap. Another thing we ask

is that it would be great to see more volunteers on game day, we have one of the biggest support bases in 2nd Division yet the work is always left to the same few. On the field has been far from pleasing, while we all knew it would take awhile to adapt to the faster pace of 2nd Division, there is still some major improvement required in team work &

consistency. That said everyone is 100% behind the coaching staff & players & we are still confident that a winning streak is close. Should mention the Colts have been playing excellent football & are testaments to the junior coaching.

Senior Coach says...

Doncaster and North Ringwood were always going to be two of the targeted games for us as a senior group to hopefully gain wins in 2nd Division. Doncaster was a disappointment in that we again let ourselves down with a lapse of 5-10 minutes in the 3rd quarter that allowed the opposition to kick away to a 5 goal lead. To our credit we fought back only going down by 10 points. North Ringwood was the

local derby that everyone had been waiting for. After having been jumped early we managed to play our best quarter of footy for the year to trail by 10 points at 1/2 time. Unfortunately we could not carry the same passion throughout the last half and went down by 49 points although the final margin was not a true indication of the difference between the 2 teams. Boronia this week gives us the opportunity to get

on the board. To all supporters, stick with us...we are not far off that elusive win.

Norseman

The Norseman are in the final stages of completing the social rooms and have along with the Junior club funded the replacement of the crockery & utensils to the value of \$2300. The junior club contributing \$500 of the total. Members will also see the addition of two new televisions & DVD players installed in the social rooms, one will be mounted on the parquetry are & the other in the carpeted area. The bigger TV's will be used for the kids Sunday night movies & any coaching requirements that may require a video facility.

Byron Stewart undertook the project of installing 4

new training lights on behalf of the Junior Club & the Norseman contributed the replacement of the cross arms & fittings; this will enable a near full training facility in the bottom oval. A big thanks to Geoff Boyd, Paul Matthews & Danny Shields who completed all the electrical work.

Subject to council approval we are hoping to install a set of goal posts on the oval for practice, so the kids can kick balls through the big sticks into the embankment & not into the creek.

The next project to be undertaken will be the refurbishment of the ladies toilets by adding some

extra wash basins, a baby change table, some tiling & painting to brighten the room up. The storage cupboard will be removed completely from the room. We will be holding a business dinner on Thu 24th June starting at 5pm. The event will feature guest speakers, one of which is Darren Berry, Vic Captain in the winning Pura Cup Cricket Final. Tickets avail shortly. Please see Geoff Lisle, Graeme Arthur or Ian Walton for tickets. Don't leave it to the last minute, limited seating available. Good luck to all teams competing this weekend.

U18 Coach says....

Another hard fought effort by the Norwood Colts but unfortunately a lack of concentration in the last quarter meant that the side went down by a large score.

Back to the drawing board this week, more commitment on the track then convert that commitment to the field on Saturday.

Although last weeks result wasn't a positive one, the

whole Colts team is close. That can only be a major positive toward stringing together a number of wins. In this issue I would like to recognise Corey Johnson who off his own back came to us at the start of the season and offered a cash award to the Colts team. Corey pays for this out of his own pocket & he selects each week the recipient

of the award. We want to thank Corey for supporting the Colts as he does, this shows the true spirit of Norwood and why we continually attract great Colt footballers. Our club is special & people like Corey make our club one of the best in the Eastern Football League.

Well done Corey, it is truly appreciated.

Junior News

On Sunday 16th May our Under 10 team participated in the annual EFL Lightning Premiership at Pinks Reserve – Kilsyth. Unfortunately, the team missed out by only one game on taking out the winner's trophy (3-1), however they played a good solid brand of

Football and represented the Norwood Football Club proudly. This Sunday (23/5) it is our U11's turn. Due to the high player numbers, the club has elected to register two teams on the day. The action commences at 10am & everyone is welcome to come along to Pinks

Reserve to support our players as they represent the Norwood FC – Good Luck Guys!
